Arko 122

Freestanding bath • 2 sizes
• White Gloss or White Matte
• Integrated slot overflow

Features

- Fine rim, elegant super-ellipse design, curved sides
- Seamless design
- White sanitary grade acrylic, excellent heat retention properties
- Suits 40 mm waste
- Adjustable support feet

Available in 2 sizes

- 1500 mm long
- 1700 mm long

Available in 2 finishes

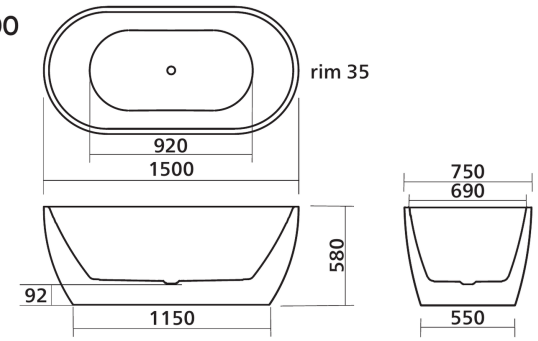

- White Gloss, sanitary grade acrylic
- White Matte, sanitary grade acrylic

Installation

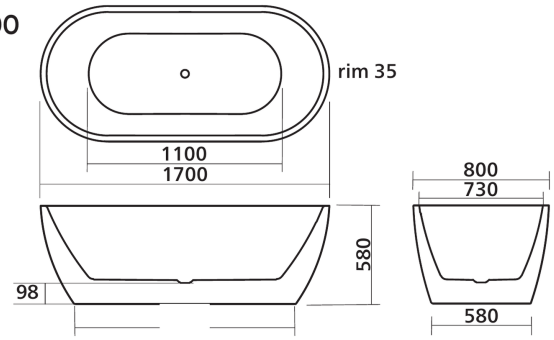

The bath is supplied with four adjustable support feet on the base frame of the bath. Position the bath and use the adjustable feet to level the bath. Leave a 3mm void between the base of the bath and the floor. Use silicone around the base to seal the bath to the floor. Allow a 20mm gap in the silicone seal as a weephole (gap is designed to reveal any plumbing leakage).

Use acetic cured silicone sealant. Do not use epoxy type adhesives.

1500

1700

Bath has integrated overflow – slot design
