Eva 620

Collection: Elevate

Colour waste options available

Ceramic laundry sink, 45 litres

A fresh, white ceramic sink is superbly functional for laundry, makes a great baby bath or wash basin for guests and is also great for washing pets.

Eva's nanoglaze surface is ultra-smooth, dramatically reducing the ability of grime and bacteria to cling to the surface. Nanoglaze also contains antibacterial elements baked into the glaze that actively resist bacteria. This makes cleaning easier and the sink has a beautiful sheen.
