Kyra 403

Collection: Foundation

Ceramic above counter basin or wall basin, square

- Slim design overflow, fully glazed
- Back of basin is fully glazed without holes
- Blind wall mounting holes can be punched out on site

This versatile basin can be used as an above counter basin or wall basin.

Contemporary look with refined rim and glazed slim design overflow. Waste is positioned at rear of basin to reduce splashing.

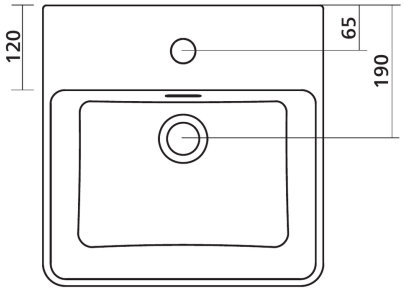

Back of basin is fully glazed without holes. There are blind fixing holes on the back. If wall mounting, the blind fixing holes can be punched out on site at installation.
