Ceramic waste cap + Chrome pop-out base

Ceramic wastes offer a streamlined look for your ceramic basins. You can match the waste with your basin or choose a contrasting colour (eg black dome on white basin).

- The ceramic waste cap simply screws onto the pop-out base.
- Pop-out base has chrome finish.

Innovative easy-to-remove pop-out design

Why pop-out?

The Pop-out waste does exactly what its name suggests — the top section of the waste simply pops out (or pulls out). This patented innovation has significant advantages including:

- **REMOVABLE** The top of the waste is completely removable. Easy access, easy cleaning.
- **ANTI CLOG** The 'prongs' on the top section of the waste are designed to catch debris (including hair) as it flows into the waste. The streamlined simplicity of this design makes it easy to keep clear and clean.
- **ANTI SEIZE** The pop-out design eliminates the possibility of the plug seizing in the waste.
- **OPEN DESIGN** The openness of the design promotes efficient drainage.

More features

- **PREMIUM QUALITY** Durable, high quality finish — all components are premium quality.
- **UNIVERSAL DESIGN** Suits 32 and 40 mm waste holes; suits overflow and non-overflow.
