Pop-Out Basin Waste

Chrome | Brushed Nickel | Gunmetal | Brushed Gold | Brushed Bronze | White Matte | Black Matte

Pulls Out!

Easy Clean

Anti Seize

Anti Clog

Innovative easy-to-remove pop-out design

Why pop-out?

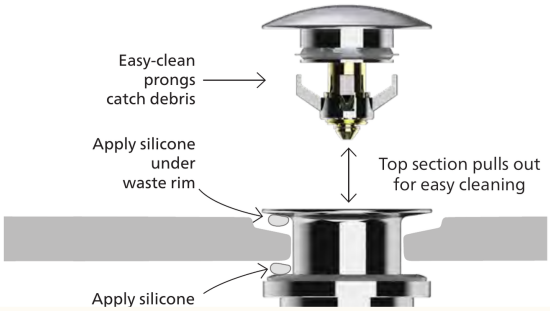

The Pop-out waste does exactly what its name suggests — the top section of the waste simply pops out (or pulls out). This patented innovation has significant advantages including:

- **REMOVABLE** The top of the waste is completely removable. Easy access, easy cleaning.
- **ANTI CLOG** The 'prongs' on the top section of the waste are designed to catch debris (including hair) as it flows into the waste. The streamlined simplicity of this design makes it easy to keep clear and clean.
- **ANTI SEIZE** The pop-out design eliminates the possibility of the plug seizing in the waste.
- **OPEN DESIGN** The openness of the design promotes efficient drainage.
- **COMPATIBLE** with Lithos natural stone waste caps (suppled with Lithos basins).

More features

- **PREMIUM QUALITY** Durable, high quality finish — all components are premium quality.
- **UNIVERSAL DESIGN** Suits 32 and 40 mm waste holes; suits overflow and non-overflow.

Easy to install

Order codes

192010	Pop-out Basin Waste — Chrome
192012	Pop-out Basin Waste — Brushed Nickel
