Tetra 790

Collection: Fusion

Sink art. Bold, minimalist aesthetic.
- **Handcrafted excellence**
- **Undermount or abovemount**

Create an atmosphere of design excellence with a Tetra handcrafted stainless steel sink. Inspired by a strong reductive aesthetic, the Tetra series perfectly complements minimalist and contemporary architectural design. Superior edge finish means that Tetra sinks are suitable for abovemount or undermount installation.

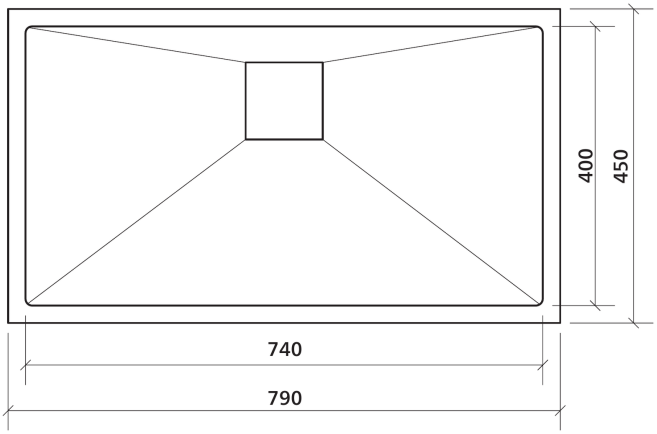

- minimalist bold design, refined industrial aesthetic
- beautiful lines and geometries
- highest quality individually handcrafted
- designed for abovemount or undermount installation, superior edge finish
- 1.2mm thick premium 304 grade stainless steel
- sleek brushed satin finish
- deep, large capacity bowls
- easy to clean corners, 10mm radii
- sound deadening
- distinctive square basket waste
