Cleaning & Care

- Wipe with a clean, soft cloth and mild soapy water or non-abrasive bathroom cleaner. Test in an inconspicuous area before cleaning the whole basin.
- Avoid placing hot objects, such as hair straighteners, on any surface as these will cause discolouration and marking.
- Spills of hair dye, after-shave lotion, nail polish and remover, aerosol spray and other harsh chemicals should be removed immediately to prevent damage and discolouration. Clean immediately with mild soapy water using a clean, soft cloth.
- Please find more information in the Care Guide for this product
