CLEANING AND MAINTENANCE TIPS

Please clean mirror surface with a mixture of 10% methylated spirits and 90% water and use a soft micro-fibre cloth/chamois.

Dry off mirror edges.

Wipe off wall water spillages immediately.

DO NOT Use any abrasive, acidic or alkaline based solvents or cleaners. Avoid sharp objects and keep heat and hot objects away from all surfaces of any Remer products.

To clean Frames, please use a soft microfibre cloth/chamois and warm water only. DO NOT Use any abrasive, acidic or alkaline based solvents or cleaners. Avoid sharp objects and keep heat and hot objects away from all surfaces of any Remer products.

Please contact us for spart parts enquiries.
