A stainless steel rectangular sink with a drain, shown from a three-quarter perspective. The sink has a polished, reflective surface and a simple, functional design. It is set against a plain white background.

- Refer to the [website](#) for warranty terms & conditions.
- Sink water capacity 23 L
- Stainless steel material.
- Nano coated finish.
- Strainer set is included.
- Includes the surface cut-out template.
- Suitable for thick surface top material. Top-mount or under-mount.
- See website for the [colour](#) options.

- Do not install **sinks** using any form of acetone silicones.
- Do not apply physical items (such as tools) directly to the product.
- Never use house-hold abrasive cleaners.
- Clean using a mild washing soap solution.
- Check for any product defects before installation.
- Refer to the Installation Manual for correct installation.

Technical drawing of a rectangular plate with dimensions 380x200. The plate features a semi-circular cutout at the bottom center with a radius of R10. A detail view B is shown below the cutout, indicating a fillet or chamfer transition.
